a-10c basic flight training campaign review. a-10c basic flight training campaign by maple flag missions. a-10c basic flight training campaign. dcs a-10c basic flight training campaign. a-10c basic flight training campaign manual

very useful tool for starting the study level Hog, great to be used, together with the manual, the briefings, the web video tutorials, and the forums, if necessary, and together with the other two payware training dlcs as well a few glitches (non working features) because this is an old release, against the 2.5 current DCS, yet maybe some were encountered because my lack of knowledge
